

TRIBUTE TO RHODES TRAIL RUN SPORTSDAY

## RHODES PUBLIC SCHOOL SAYS THANK YOU

Rhodes Public School felt a thank you letter to the sponsors of the Rhodes Trail run does not do the big gifts justice.

One of the boxes were filled with new sport kit for our soccer and netball teams. What better way to thank these sponsors with a "Tribute to Rhodes Trail Run Sportsday."

On the 15th of August Lamplough Primary School from Lady Frere invaded Rhodes with a team spirit that filled the Rhodes air with song and cheer. The learners of Rhodes did not step back for the challenge and embraced the rare opportunity to play competitive sport on their home grounds.

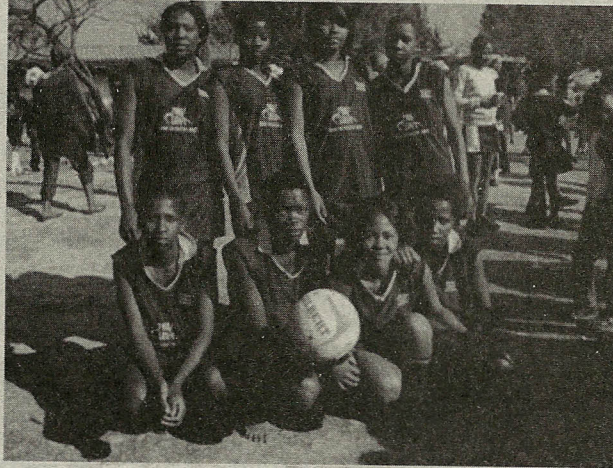

Everyone in the community of Zakhele was involved in

preparing and cleaning sports grounds and a feast of food.

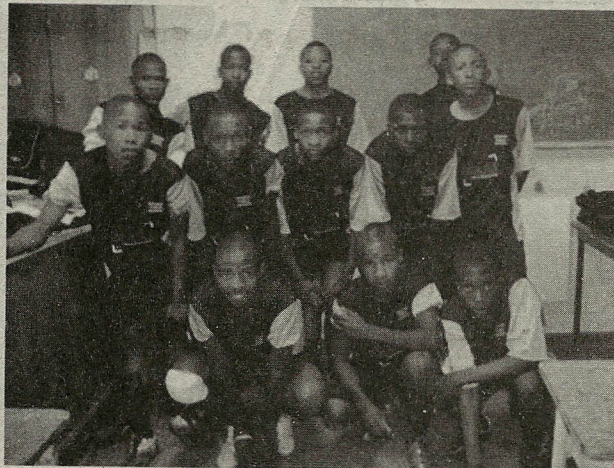

Parents of the community stood next to the fields cheering so proud to be part of the Rhodes team looking so smart in their new sportskit.

We would like to thank Mr. Darrel Raubenheimer and his wife Evie Raubenheimer for not only looking out for the school and their needs but for the community as a whole. And then also to DM Kisch, Apula and UTI for the kit!

We are a school in a rural community but we have had a sports day like no other in urban areas. This was made possible by all the role-players of the Rhodes trail run

*1st Netball Team*

*1st Team Soccer*
